

LEADING WOMEN SPEAKER SERIES

The Women's Foundation and Bloomberg present

A CELEBRATION OF
WOMEN IN RISK MANAGEMENT
MARCH 25, 2014, 6.30 p.m.

"Women often bring critically important perspective to the table and are willing to deal with the issues head on. There are plenty of examples of women doing a fantastic job in senior risk and compliance roles."

Dianne Challenor, Head of Transaction Services,
Asia Pacific, J.P. Morgan

Be prepared to aspire, grow and lead! Our distinguished line up of panelists will address:

- What opportunities and challenges do women in risk management face?
- What kind of qualifications, skill sets and on-the-job experience do you need to enter this industry and become a leader?
- How can we increase the female participation rate in the risk management sector, and in particular, how can we promote a career in this sector to female students and young women?
- Do women bring different qualities to the role compared to men? Are women really more risk-averse?
