

LEADING WOMEN SPEAKER SERIES

The Women's Foundation and Bloomberg present

A CELEBRATION OF
WOMEN IN INSURANCE
OCTOBER 9, 2014, 6.30 p.m.

"Women bring the ability to change the strategic thinking that impacts the [insurance] industry. The industry has always been known to be slow for change – instead of being forward-thinking and progressive, it tracks along at a slower pace than other industries, even though it's huge and impacts the whole world."

- Sharon Emek, President and CEO of Work At Home Vintage Employees LLC

Be prepared to aspire, grow and lead! Our distinguished line up of panelists will address:

- What opportunities and challenges do women in insurance face?
- Do women tend to get pigeon-holed in certain functions/roles?
- What kind of qualifications, skill sets and on-the-job-experience do you need to become a leader in this field? How accessible are these opportunities to women?
- Do women bring different qualities to the job compared to men?
- What needs to happen to encourage more women to enter and stay in the insurance sector?
