Thank you for supporting the TWF Gala Dinner

Dear TWF friends

Thank you very much to everyone who supported The Women's Foundation's 10th anniversary gala last Thursday. This year's Gala raised over HK\$3million for our research and programmes serving disadvantaged women and girls in Hong Kong.

- To our 34 corporate and 6 individual table hosts and our 528 guests: thank you for spending your evening with us.
- To our special guest speaker, Mrs. Regina Leung: thank you for your uplifting address.
- To our iconic female leaders, Audrey Eu, Teresa Ko, Karen Mok and Vivienne Tam: thank you for your inspiring remarks.
- To our event sponsors, HSBC, Thomsons Reuters, State Street, Plan W / Diageo and TAGHeuer: thank you for your unstinting confidence in us.
- To our auction, raffle and other sponsors and supporting partners: thank you for your tremendous generosity.
- To all the people at the event and at home who made a donation: thank you for your commitment to supporting progress for women and girls in Hong Kong.

I am pleased to attach a copy of the ad which ran in today's SCMP with all our sponsor and partner logos.

Videos of last Thursday's speeches will be available shortly on the TWF website:

We look forward to seeing you again next year!
