## Thank you for supporting our IWD Gala Lunch!

Dear TWF friends

Thank you very much to everyone who supported The Women's Foundation's IWD Gala Lunch last Thursday. This year's Gala raised HK\$1.3 million for our research and programmes serving disadvantaged women and girls in Hong Kong.

- To our 33 corporate and 11 individual table hosts and our 530 guests: thank you for spending your lunch-hour with us
- To our iconic keynote speaker, Ms. Joanna Hotung: thank you for your inspiring remarks
- To our event sponsor, Thomsons Reuters: thank you for your unstinting confidence in us
- To our auction, raffle and other sponsors and supporting partners: thank you for your tremendous generosity
- To all the people at the event and at home who made a donation: thank you for your commitment to supporting progress for women and girls in Hong Kong

I am pleased to attach a copy of the Thank You ad which ran on Sunday's SCMP with all our sponsor and partner logos.

Videos of last Thursday's speeches are now available on the TWF website:
