WOMEN ENTREPRENEURS WORKSHOP SERIES

THE WOMEN'S FOUNDATION PRESENTS

EMPOWERING WOMEN ENTREPRENEURS ONLINE SERIES

Dear Entrepreneurs and aspiring-Entrepreneurs

We are so pleased to have held our second successful Empowering Women Entrepreneurs Online workshop with our partners Google and CoCoon this week. Thank you to those who attended our event!

For those of you who were not able to attend, we had 3 wonderful speakers from Microsoft, Kerry Properties and Kotur sharing their knowledge of Building Global Presence Through Online Platforms. We had a full-house of attendees and more questions than the speakers had time to answer!

As promised, we've loaded our 3 speaker's presentations (slides and video) onto our website. You can access them at our new TWF website under our [Women Entrepreneurs](#) section.

Most importantly, please help us make our Women Entrepreneurs Network programmes relevant and impactful for you and your business! We are running a short confidential survey to determine your most pressing business issues requiring support. The survey results will largely determine the topics and events that TWF provides to our Network. This will be the best 1-2 minutes of time investment that you will make today! Click [here](#) to fill out the survey.

Thank you so much!
